Dear Mr. Cesta:

We are writing on behalf of the District Character Education Committee. A sub committee reviewed your assembly program, *The Inspector Iwannano Character Education*, last month.

The Committee has approved your assembly for elementary school students. We appreciate your submission of this program for approval. Your program demonstrates how good character can impact children's lives in special ways.

Use of this assembly program will be at the discretion of the individual school principals. We appreciate your willingness to provide character education program for the students of our district. If you have any questions, please contact LaChandra Dukes at (561) 357-7520.

Sincerely,

Kim Williams, Manager  
Prevention Center in the Department of Safe Schools
